Yea!! That's what I'm talking about. Tim, I'll check in with you at 1 when we chat. We basically need about 140 using the following breakdown:

Metcalfe – 100 (that's about 10 provided to each O/D);
Lab – 0 (included in above)
COOP – 10
Warehouse - 10
Westlake – 10
Ann Arbor – 10

Total: 140 (round up to 200).

Mark—can you have someone get started on purchasing some of the disposable masks. The phase 3 guidance talks about having a limited supply of disposable masks on hand. **Ex. 5 Deliberative Process (DP)**
